Smart Lockbox for Home

A small lockbox can easily solve the following problems

Super waste of time

Standing at the door for a long time waiting for the spare key.

Inconvenient

A friend is visiting at the appointed time and you happen to be out.

Unsafe

The spare key hidden under the foot mat is often lost.

Smart Lockbox for Business

If you are an apartment owner

Your tenant can only hold a valid codeduring the lease term.

If you are an apartment manager

Remotely send a one-time code to the cleaning service provider to complete the cleaning.

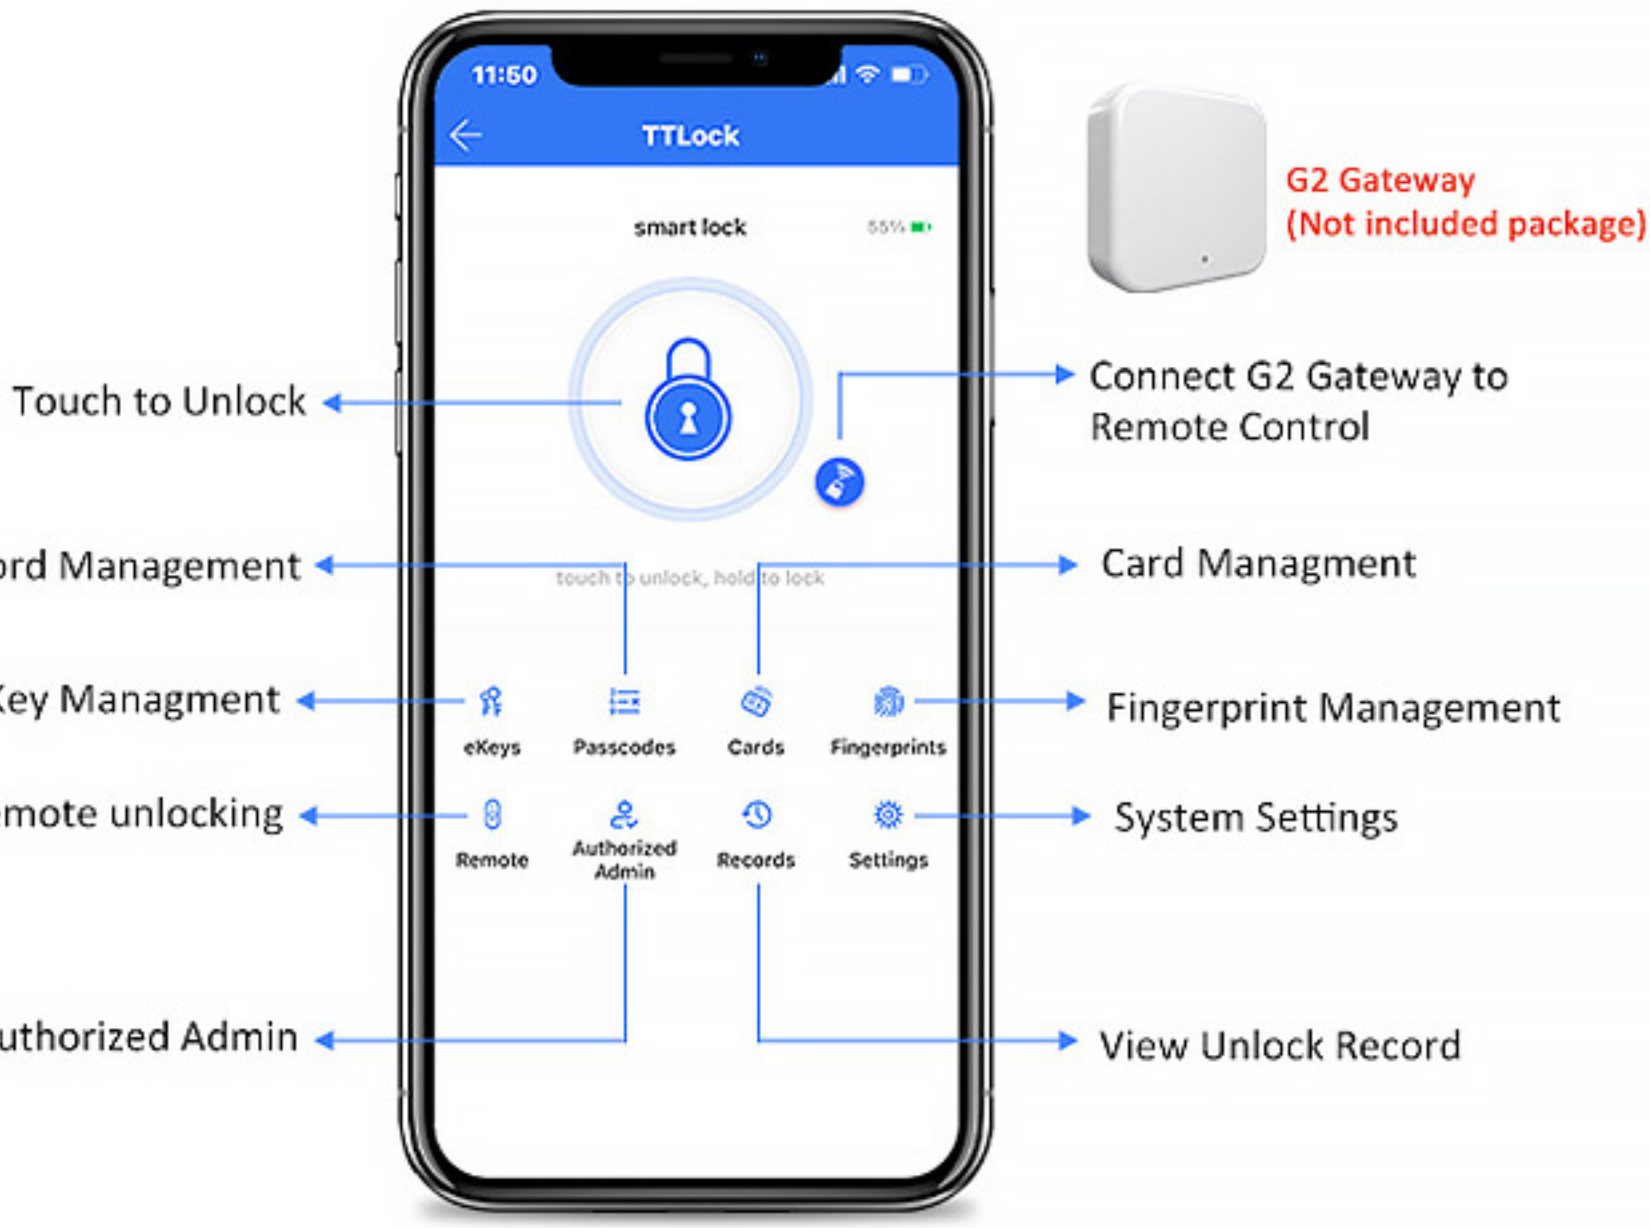
If you are a real estate-agent

Get a one-time code sent by the landlord remotely, convenient and time saving.

If you are a shop-keeper

Set individual passwords for employees, you can have a record of door openings.

APP Powerful Functions



Works with Google Assitant

Works with Amazon Alexa

Compatible with Smart Watch
